# Campus Tour

Welcome to Eunoia! We hope you have an enjoyable visit. Our student ambassadors are happy to host you on a tour of our new home that starts from the auditorium. This guide provides a self-guided route through the many beautiful spaces on our campus.

## Auditorium (Level 1)

Start from our 900-seat lecture theatre and performing arts venue. Walk up the stairs to Atria, our assembly area on level 2.

## Atria (Level 2)

View the vibrant Symposia and the canteen on the left and right sides of the Atria. You will also find the linkbridge that connects our campus to the park. Take the lift or walk up to level 5.

## Stadium (Level 5)

Take in the view of the first elevated track and field in Singapore and Southeast Asia. Watch our Frisbee, Softball and Track & Field athletes train or take a sprint down the track yourself.

## Seminar Rooms (Level 5)

Walk to our academic block, with Physics labs on your left and our seminar rooms facing the park on your right. Use the staircase to reach level 8 or take the lift from level 4 to access level 8.

## Special Rooms (Level 8)

Find out more about our **Global Orientation Programme (GO)**, **Bicultural Studies Programme (BSP)** and **Humanities Scholarship Programme (HSP)** at our dedicated learning rooms. Spot our teachers in the middle of quiet reflection or a thunderous brainstorm on the opposite side of the block. Walk up to our duplex library on level 9.

## Library (Levels 9 and 10)

Walk around the library and enjoy sweeping views of Bishan - Ang Mo Kio Park. The staircase to the right will be used for poetry recitals, performances and more.

Speak to students, alumni and teachers about the subjects we offer. **Knowledge Skills, Languages, Mathematics and Sciences** are on the lower floor. **Humanities and the Arts** subjects are on the upper floor.

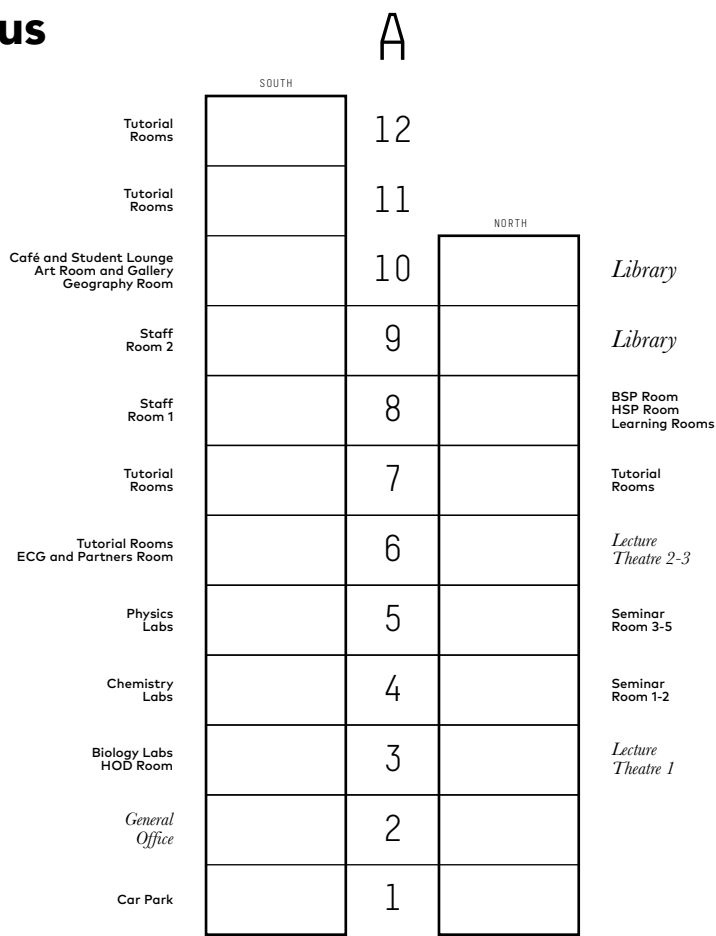

If you have more questions about Eunoia and our programmes, look for our friendly staff in the Discussion Rooms on the upper floor.

## Student Lounge (Level 10)

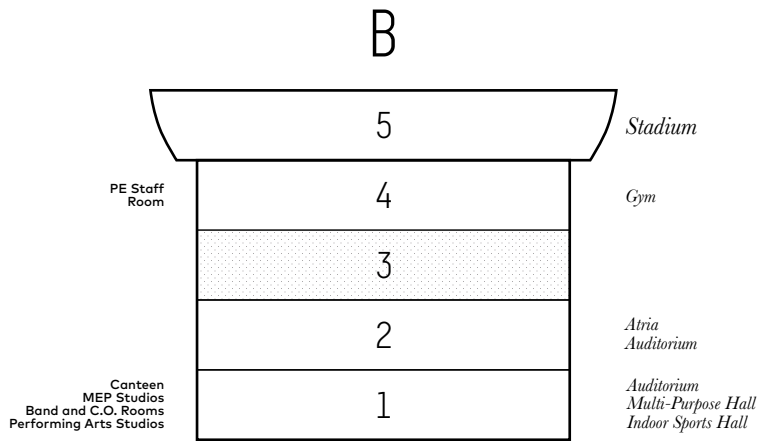

Exit the library on the upper floor. On the other wing, pass by our Art Room and Geography Room. Learn more about our talent development programme **LATITUDE** and speak to our **ECG** coordinator about careers, scholarships and higher education at the Student Lounge.
